

“This is the difference between the old and the new education. We want to help the auto-construction of man at the right time, so that mankind can go forward to something great. Society has built up walls, barriers. These the new education must cast down, revealing the free horizon. The new education is a revolution, but without violence. It is the non-violent revolution. After that, if it triumphs, violent revolution will have become forever impossible.”

Maria Montessori, *The Absorbent Mind*, Page 196
